

April 2008 Management Communiqué to League Members -----

122 shooters, including a dozen new shooters to the league – Welcome! The Sun god was alive and well and the Coyote Valley Wind gods intermittently forgiving, leading to some very high scores! Thanks to the County Staff for running a very smooth shoot - most of you probably didn't notice that two traps broke and were repaired during the event!

Also, the SBTL office staff of Jessie Miyasaki, Betsy Warner, and Warren Fay did a sterling job this shoot, being two people short AND breaking in a two computer/two printer environment with ease!

NO SHOWS.....sadly, 18 shooters who were pre-squaded did not show or notify us that they were not going to be at Metcalf. We all hope no life disaster caused this oversight on your part. Please do let us know when you are not going to show up so we can manage squad assignments more efficiently.

Awards – at the end of each shoot we're all anxious to gather our awards, but in SBTL a shooter may receive only one award per meet (rule I). So please give us some time to settle all of the shoot-offs and determine the final winners. We'll announce when the awards are ready and the bank is 'open'. **Squad leaders** - you can help expedite this process by ensuring your score sheets are turned in to the office as soon as you complete an event (yes, we had some missing score sheets at the end of doubles!).

HELP PLEASE ...we have an 83 year youngster who is running shoot-offs and gets the flyers posted and mailed each month, and we have another 77 year youngster who labors in the office each shoot. We need to lessen their workload and allow for retirement options. We're looking for THREE willing and reliable volunteers to help with shoot-offs, cashiering, and data entry/shoot reporting!

SAD NOTE As many of you know longtime SBTL advertiser, clay shooter and instructor George Reppas Sr. moved on to the big trap shoot in the sky earlier this year. He honored you all with a cash donation to the league and sent a written hug in his note to Bill Moore and Jerrie Hanamoto along with that check. The next time you step to the line, please take the time to stop and silently thank George and then crush the bird for him!

Rule Review – No Target. There are multiple occasions when you must re-shoot your target. These include when a target is thrown broken, regardless of the result of any shot fired (rule B.2.c.2), when debris is thrown on the shooter's call along with a whole target(s) (rule B.2.c.3), and when a shooter fires out of turn (rule B.2.c.4). The complete league rules are available at SBTL.org. Our SBTL rules are based on ATA rules, with modifications to suit our league environment.

C U all in Newman on the first Saturday, May 3.....and don't forget Mother's Day is the following weekend.
