

South Bay Trap League

November 2008

Management's Musings

October 2008—Newman, CA.—The Grand!

96 stalwart shooters showed up to compete for the Grand Trophies. Great turnout! The Newman folks treated us to a well managed shoot and a delicious dinner! No comment on the wind except we didn't have to rescue anyone from the barbed wire fence at the south end of the club. Congratulations to all the Participation and All-Star Winners. You really worked for your trophies.

At the end of the 2008 Season our average attendance was about 117 shooters per shoot. We ended the year with a healthy balance sheet and sufficient funds to buy trophies for next year's leadoff shoot in February. Although we saw declining attendance over the last 3 months of the season and we are faced with an increase in target prices and trophy costs to hold the trophy quality equivalent to the past years, we are sharpening our pencils to hold the shooter fee increase to a minimum.

Thanks to all of you who bought raffle tickets to help fund new office computer(s) and special thanks to you who just directly donated to the fund (this includes Martin Chavez, who won the raffle and donated \$100 of his winnings back to the fund)!

South Bay Trap League

Management's Musings, continued

(Continued from page 1)

Congratulations to our Year End Winners, and Los Banos Sportman's and Sunnyvale Rod and Gun Club for winning the team awards.

Special Congratulations and Thanks goes out to our 1K Bird Pin Winners and the 2008 All Stars (both listed on the front page). To win the 1K Bird Pin in the South Bay League is a real accomplishment. Each of these shooters had to attend every shoot during the season and average 125 birds or better. This is a super human feat and we really thank you for your support.

Finally, Thank You to the clubs and all the volunteers that make the South Bay League work. Without each of you, the league simply could not function. We have had several people retire from league management this year and new people have taken their places. Shooters, if you think of it, take a moment to thank the South Bay staff next time you see them. Most people don't realize how much effort goes into making each shoot a success.

C U all in Feb '09 and Thanks for a great '08 season,

Warren and Dennis
