Management's Musings

100 shooters, a great effort by the Metcalf crew, and a temperate day at the Santa Clara County Facility made for a "Grand" year end shoot last October. The targets were lovely, and congratulations to long time SBTL shooter Dave Brocius for capturing the Perfect 50's purse. The range crew did a great job on the shoot and selecting a dinner caterer.

Despite an anemic economy, it appears we are blessed with a committed group of trap shooters. We averaged 117 shooters at the eight regular shoots this past season and were up by twenty shooters (25%) over the past 5 year end "Grands". A BIG THANK U to all of the volunteer league staff for their efforts and dedication to the league and the sport of trapshooting! Our handicappers, office staff, and squadders did a fabulous job to make the shoots runs smoothly and efficiently.

Here's looking forward to a great 2010 season. Remember to pick up \$'s from the Grand winnings and your trophies from the Grand at the first shoot. AND remember that your earned reclassifications from the previous season do not work off for 8 shoots from your win, make sure any "written over" lost/deads are clearly written in as dead or lost and initialed by the scorer before you leave the field. Review the failure to fire rule, mostly for doubles, in Section B.2.c.11. in the SBTL rules. We will be requesting that the host clubs assure their help is totally familiar with this ATA rule.

Lastly, because of very limited participation we are eliminating the .410 event with the start of our 2010 season.

Hope you had a lovely holiday season..... C U in Livermore on February 13!

Dennis and Warren

Handicap Purses

Perpetual Purse \$120.00

To win, the participant needs to shoot a 25 straight from any trap. In the event of a tie, the payoff is divided among the total number of 25's that are posted.

This purse is open to all shooters.

Perfect 50's \$217.00

To win, the participant needs to shoot 50 straight at Handicap. Seventy-five percent (75%) of the purse, including the fees from that shoot, will be divided between the Perfect 50's participating at that shoot.

To play this purse, a shooter is required to have shot at least three (3) previous South Bay Trap League meets between the current and previous years.

Gun Safety is everyone's business.

Always be aware where your barrel is pointed. Please remember, when changing posts or changing traps, your guns should be open with nothing in the chambers.

Thanks, SBTL

Please check your beginning handicap.

The first handicap/classifications that you actually shoot at each year becomes the bracket that you will shoot in for the year-end buckles. If you have questions, please speak to the handicapper.

Declared Minimums have been reset.

Please remember that at the beginning of each year we reset each shooter's declared minimums. If you wish to declare a minimum please speak to the handicapper or send us a note.
