## Management's Musings

115 shooters at Los Banos, where a nice cool breeze made some challenging targets. It was a very stimulating and smooth running event on March 13th. A congratulations to everyone who stuck with us to finish all of the events. And contrary to comments we heard during the day, we didn't order up this weather to help reduce our costs for 1,000 bird pins at the end of the year! In case you didn't notice, the young men and most of the parents from last year's Scholastic Clays Championship team were there pulling and loading the houses. Great to see them that dedicated to the sport!

A special welcome goes out to Tim Coffey, Richard Gass, and Taylor Darnall our new shooters for the month of March. We are glad to have you with us.

As long as we have electrical power, our new office equipment and our dedicated office staff are humming along like a well lubricated Swiss watch. Thanks to their dedication and the efforts of Warren Fay, we have been able to start shooting at 10am and be done with shoot-offs before 5pm the past two shoots (yes, being able to use 6 traps for singles and handicap.....and 4 to 5 traps for doubles also speeds up the throughput).

The hand carved and painted, decorative Mallard Decoy for our 2010 raffle was there for you all to see at Los Banos and begin buying tickets. It is truly beautiful! THANK YOU again Dan Buchheit! We plan to make sure we generate enough funds from the raffle to pay for all the new office equipment. NOTE: You guys and gals must be some kind of special, because Dan had \$100 from his daughter to buy the first raffle tickets!

Encouraged by 8 or so .410 shooters who wanted to continue competing for bragging rights, Gerry Jensen has taken on the task of running an extra .410 event during our scheduled SBTL shoots. See Gerry (aka Squad 1, Peg 1) for costs/rules/format/prizes planned for this extra event. By the way, Gerry notified us that the .410 shooters will shoot 50 birds instead of the previously announced 25.

You SBTL shooters should expect to see a donation bucket at our shoots during the season to help the various SCTP teams, including the Los Banos Champs looking for support for a return to Sparta for the National Competition.....yes, they would be happy to have you donate part of your payout from the "little white mystery envelopes" that show at each SBTL shoot.

CU on April 10 at the Santa Clara County Field Sports Park (aka Metcalf).....and remember no booze in the Park to soothe your after shoot woes!

Dennis and Warren

### IMPORTANT REMINDER:

**The MAY 2010 shoot is on the FIRST WEEKEND IN MAY (May 1, 2010). It is the only shoot in the year that does not run on our second weekend of the month schedule.**

## Handicap Purses

### Perpetual Purse \$120.00

To win, the participant needs to shoot a 25 straight from any trap. In the event of a tie, the payoff is divided among the total number of 25's that are posted.

This purse is open to all shooters.

### Perfect 50's \$291.00

To win, the participant needs to shoot 50 straight at Handicap. Seventy-five percent (75%) of the purse, including the fees from that shoot, will be divided between the Perfect 50's participating at that shoot.

To play this purse, a shooter is required to have shot at least three (3) previous South Bay Trap League meets between the current and previous years.

### When will the scores be posted on the website?

As I sit down to work on this newsletter, that seems to be the question of the hour. I have received direct email, posts sent from the website, messages on my telephone, and even notes left on my windshield (I have not seen any sky writing yet). It seems that many of you are interested in the answer to this apparently all consuming question.

The answer is: "Generally between two (2) weeks and ten (10) days BEFORE each shoot, three things happen simultaneously: the scores and new handicaps are posted on the website and the paper and electronic newsletters are sent out. Sometimes this will be earlier and sometimes a smidge later.

Warren FAY-

**Note from SBTL Management:** We are very pleased to see that shooters are increasingly using the SBTL website as a resource, however, please note that we have no commitment to post scores on the website in any given timeframe. Our "goal" is to post the scores within a week after the shoot, but please understand that we expect our volunteer staff to prioritize their family and work responsibilities ahead of their SBTL service. As is always the case, all the data from each shoot is posted on the scoreboards and available for the shooters at the end of the day at each shoot, when we arrive early and leave when the job is done.

Thanks, Dennis.

The SBTL wishes to sincerely **THANK** our advertisers, without whom, it would be so much more difficult to run the league. Shooters, please remember to frequent our sponsors and show them that you appreciate their support.

**Rules review:** *It is the shooter's responsibility to verify and review their score for each post, and to assure the score sheet is clearly marked by the scorekeeper before it is submitted to the office. Scores for a post become final when the shooter shoots their first target at the next post, or (for the last post) when they leave the trap field. SBTL and ATA rules require that corrections be clearly labeled with the word 'DEAD', otherwise they are to be scored as a lost target.*

**Gun Safety is everyone's business.**

*Always be aware where your barrel is pointed. Please remember, when changing posts or changing traps, your guns should be open with nothing in the chambers.*
