## Management's Musings

98 Shooters at Metcalf and a very well run shoot by the County Range. We still have not had a "blue bird" trap shooting day this season, but we have managed to dodge the lovely rain that el nino has been sending us. And despite a slow start for the day with "only" 5 perfect scores in Singles, there were some very good Handicap scores and some surprisingly good Doubles scores. Congratulations to all the award winners – especially those who survived and won their shootoffs!!!

Thanks again to the Metcalf range folks for running an excellent shoot and for having all their pullers well versed on the "failure to fire" rule, especially for doubles.

A special welcome goes out to Henri Combel, Ken Katashiba, Tony Koupsi, Steve Taormina, and Cobb Wawrzynski our new shooters for the month of April. We are glad to have you with us.

We were a little lower in participation than we would have predicted for this shoot. All the good guys and gals who were at competing trap shoots on April 10th did a great job of notifying us, so we could adjust the squads for their planned absence. However, we had about 10 pre-squadded shooters who failed to notify us they would not be there which caused a lot of 'short' squads for the Singles event. We all know it isn't as much fun shooting on a two or three person squad. A splendid effort by our squadding team to track down shooters allowed us to eliminate three squads in the handicap and doubles rotation.

**PLEASE call us at 408.896.1452 or click "here" on the automated website reminder to help us run a smooth shoot for those who are attending. Also, if you are pre-squadded on a later squad and won't be checking in until after shooting has started please have one of your squad mates let us know or call...THANKS.**

Ron Ingram is "resigning" from his position as the Los Banos Club Representative to SBTL. He is fighting the big "C" and had hoped he would be able to be with us and helping to move the league forward through this season. He's been a great help since Los Banos came back as a host club in 2008. Please keep Ronnie in your thoughts and, if you are so inclined, in your prayers.

**CU on May 1st (yes, a first Saturday to keep your moms happy on Mother's Day weekend) at Newman, remember we will be starting to shoot at 10am (registration at 9am), and Newman will be running random doubles on their fifth field throughout the day to help expedite the shoot.**

Dennis and Warren

### **IMPORTANT REMINDER:**

**The June 2010 and remaining shoots return to the SECOND SATURDAY of the month.**

## Handicap Purses

### Perpetual Purse \$120.00

To win, the participant needs to shoot a 25 straight from any trap. In the event of a tie, the payoff is divided among the total number of 25's that are posted.

This purse is open to all shooters.

### Perfect 50's \$315.00

To win, the participant needs to shoot 50 straight at Handicap. Seventy-five percent (75%) of the purse, including the fees from that shoot, will be divided between the Perfect 50's participating at that shoot.

To play this purse, a shooter is required to have shot at least three (3) previous South Bay Trap League meets between the current and previous years.

***Rules review:*** It is the shooter's responsibility to verify and review their score for each post, and to assure the score sheet is clearly marked by the scorekeeper before it is submitted to the office. Scores for a post become final when the shooter shoots their first target at the next post, or (for the last post) when they leave the trap field. SBTL and ATA rules require that corrections be clearly labeled with the word 'DEAD', otherwise they are to be scored as a lost target.
