Management's Musings

We had 104 shooters ply their skills on the best shooting day of the season at Newman ... we've come to the end of a long and windy season, but Mother Nature smiled upon us, with a blue sky and green corn-stalk background for excellent shooting conditions. The Newman crew did a superlative job running the shoot. Your volunteer office staff was down three individuals but I'll bet none of you noticed it because of how well they covered the voids, and THANKS to Dave Fleming for always being willing to help out. Great job Newman team and SBTL office crew!

SBTL welcomes our two new shooters for the month Shane Azevedo and Michael Marino. Good luck guys!

This has been an interesting year – windy conditions for most of our shoots lowered the overall scores. For our 8 shoots, we had 8 different HOA winners – **that's a lot of diversity. And throughout the season we had 40 new-to SBTL shooters (not including September)! Let's make sure they keep coming back so we can grow our sport.**

Our October shoot is THE GRAND!!! All the awards for the day are sterling silver buckles! The top 20 shooters from the All Star list (plus alternates where necessary to fill in at least 20 All Star shooters) compete only among themselves for 8 awards. The remaining shooters compete for 18 of these great buckles.

And if that is not enough incentive, we are adding \$2,000 in the First Ever Fazio/Morimoto added money Handicap event - \$500 per handicap group, paid out 40/30/20/10 Percentage System (e.g. ties divide). **If you're one of the top 4 scores in your handicap group, you'll win some money!** Like many of our predecessors, we have donated our time over the past three years to keep the league going. **If you've shot in at least 4 shoots this year, you're eligible. So come and win your share!**

Your handicap score from the GRAND can also determine the handicap year-end winners – so come and shoot your best. This newsletter shows the potential final handicap year-end winners by yardage group. And because our SBTL rules allow a shooter to only win one year-end award, the final handicap winners have a trickle-down effect on the final Doubles and Singles year end winners. Plan to stay for dinner and find out the year-end winners!!!

A couple of reminders:

- The GRAND is 200 targets; 50 singles, 100 handicap, 50 doubles – bring enough shells!
- Please take advantage of our pre-squad absence reporting. It helps us fill the squads, and we **don't have delays looking for shooters.**
- Safety: eye and ear protection while shooting are mandatory at all clubs!
- **We're looking for a squadder / squad sheet volunteer to help out next year. If you don't mind arriving early for each shoot, come and join our office staff.**

C U all in Sunnyvale on October 9th ... we will also have the drawing for the carved wooden duck decoy that Dan Buchheit so graciously donated to the League! (see insert on page 3)

Dennis and Warren

Come enjoy the Awards Dinner after the shoot! 12-14 ozs of Hand-Cut Prime Rib, Mashed Potatoes with Gravy, Corn-on-the-Cob, Salad and Apple Cobbler with Vanilla Ice Cream. BYO drinks. Soft drinks will be available.

Price is \$15.00 per person. Pay the cashier when you sign up.

Handicap Purses

Perpetual Purse \$240.00

To win, the participant needs to shoot a 25 straight from any trap. In the event of a tie, the payoff is divided among the total number **of 25's that are posted.**

This purse is open to all shooters.

Perfect 50's \$501.00

To win, the participant needs to shoot 50 straight at Handicap. Seventy-five percent (75%) of the purse, including the fees from that shoot, will be **divided between the Perfect 50's participating at that shoot.**

To play this purse, a shooter is required to have shot at least three (3) previous South Bay Trap League meets between the current and previous years.

THIS DUCK COULD BE YOURS!!

Our season long raffle has come to a close. The October shoot is the last opportunity that you will have to buy raffle tickets for this outstanding Duck Decoy, painstakingly carved by our own Dan Buchheit.

Instead of taking money directly away from shooters, we use the money from our raffle to help pay for equipment to modernize the shoot office for the league.

Please help us reach our final goal of \$800.

Adopt a DUCK!

Year-End: HANDICAP

The Year-End Handicap contenders are listed below.

Remember that unlike Singles and Doubles, the Top 6 Scores from the season are used to determine the SBTL Handicap winners.

1/2 of the Grand score can substitute for the lowest scores.

Only those shooters that have a mathematical chance of winning are listed. If one multiplies the low score by 2, one can figure the lowest score that can be shot in the Grand to improve their Best 6.

Rules review: It is the shooter's responsibility to verify and review their score for each post, and to assure the score sheet is clearly marked by the scorekeeper before it is submitted to the office. Scores for a post become final when the shooter shoots their first target at the next post, or (for the last post) when they leave the trap field. SBTL and ATA rules require that corrections be clearly labeled with the word 'DEAD', otherwise they are to be scored as a lost target.

Year-End Contenders

- 1) To contend for a Year-End Award, you must shoot at least five (5) shoots this season (the grand does not count);
- 2) The event bucket that you compete in is the FIRST Singles and Doubles Classification and the FIRST yardage that you shoot each year;
- 3) Your top five (5) scores are totaled to produce your score;
- 4) We display the "low" score in your top five (5). Any score that you shoot ABOVE this score will change your total and possibly your ranking.

As always if you have any questions, please speak to Warren FAY.

The SBTL wishes to sincerely **THANK** our advertisers, without whom, it would be so much more difficult to run the league.

Shooters, please remember to frequent our sponsors and show them that you appreciate their support.

SBTL is looking for advertisers for the 2011 season. If you are interested in helping us, please contact: Dennis Fazzio or Warren Morimoto.

Due to space limitations in this paper version of the newsletter, not all names/scores for the month may be listed. Please look at the website for complete listings. <http://www.sbt.org>.

Gun Safety is everyone's business.

Always be aware where your barrel is pointed. Please remember, when changing posts or changing traps, your guns should be open with nothing in the chambers.

Thanks, SBTL
