Once again we had 132 shooters this past month for our South Bay shoot – this time at the Santa Clara County Facility (aka “Metcalf”). We broke previous attendance records for a South Bay shoot at Metcalf – Mother Nature is treating us very kindly, especially compared to our windy start last year. The wonderful weather contributed to some really great scores. Congratulations to all of our winners!

Welcome to all our new shooters: Carol Clark, David Fazekas, Brian Hughes, Craig Oku, and Dale Steffen. We look forward to seeing you as we continue the season.

Thanks to the County team for their efforts to host a quality shoot. All went well, including a quick mid-shoot trap repair, and finishing the shoot-offs under the lights.

We have some new help in the office and want to welcome Mike Ross and Buck Lyons Jr. Also, we think the attendance is up because of the great job our entire staff does running and managing the scoring and shoot-offs, not to mention the lovely trophies! Bob Graves and Warren Fay have lined up some great awards for this year – plan to come out this season and win your share!

For you new shooters, we have SBTL 25 straight and 50 straight pins for you to commemorate those achievements ... just drop by the office on shoot day and claim your pin.

**One of the wonderful things about Trap is that it is an outdoor sport. Since it's outdoors,** we get a variety of environmental conditions – wind and sunlight – as well as a great amount of diversity in backgrounds at the clubs where South Bay shoots. As the day warms up the traps and the wind picks up, the targets can become more challenging. That said, all the clubs work hard to hoop and adjust the speed on the targets to meet ATA specifications. Please bear with us and our host clubs as the environment changes during the day.

We hope to see you at Sunnyvale on April 9th. We start registration at 8 am and shooting at 9 am - an hour earlier than the other clubs to meet their 6 pm stop shooting curfew on the weekends. **We'll be starting 5 squads for singles – so don't be late!**

Dennis and Warren

### An IMPORTANT note from the shoot office:

While we are happy to take questions at any other time, please leave the shoot office staff alone at the end of the shoot. The end of each tournament is the busiest time for us as we concentrate on getting the shoot-offs started, calculating the bank and determining awards. We do our best to accomplish this in a timely manner and interruptions make this difficult task even more so.

You can help us and all your fellow shooters by:

1. Getting Doubles score sheets to the office as soon as possible. Remember, due to the hierarchical nature of the SBTL awards system, we cannot calculate shoot-offs and awards until the last score-sheet is entered.
2. Review your Singles and Handicap scores before the end of the shoot. If you see a mistake, please do not tell us right at the end.

We are trying to get everyone out of the shoot as quickly as possible. Your patience at the end of the shoot will help us to help everyone.

**Remember: Sunnyvale tournaments start 1 hour earlier!!**

#### REMINDER TO ALL SHOOTERS:

**SBTL rules require that you always shoot from your "longest yardage". It is very important that you notify us of any changes to your yardage from the ATA/PITA/NBTL or any other organized leagues that you shoot. Failure to do so could result in the loss of awards and purses.**
