August 13th was another one of those “where did Summer go?” days for the 112 shooters that showed up at the Santa Clara County “Metcalf” range. The blue skies over the Coyote Valley made for a lovely day of trapshooting.

Thanks to the Metcalf staff for the well run shoot. And our office staff did their usual outstanding job: the shoot offs were handled in an expeditious manner and we were done before 6 pm.

Congratulations to Bart Clowdus, long time South Bay shooter, for his Perfect 50 performance at handicap. That was a great score on his way to winning the HOA! Well done Bart!

We would like to offer a big South Bay welcome to Al Bairos and Luis Garcia, our new shooters for the month of August. Al Bairos in his first outing with SBTL, managed to snatch the Class “B” Doubles trophy from the hands of Martin Laguna in a well contested shoot-off. Welcome Al and Luis.

A handicap reminder – as we noted in our May newsletter, the ATA has a new rule:

*“When squadding 18,19 & 20 yard shooters, there shall be no more than one yard difference between adjacent shooters in the squad and no more than a total difference of two yards in a squad.”*

Thanks to everyone that changed to new squads and posts to accommodate this safety rule.

For the 2012 season the dates and clubs are:

February 11 - Los Banos

June 9 - Sunnyvale\*

March 10 – SCCFSP “Metcalf”

July 14 – Livermore

April 14 - Sunnyvale\*

August 4 – SCCFSP “Metcalf”

May 5 – Newman

September 8 – Newman

October 13 – THE GRAND - Livermore

\*Shooting starts at 9am, 1 hour earlier than the rest of the clubs.

**May 5th and August 4 are the FIRST Saturday's of the month.**

We hope to see everyone in Newman on September 10th. We start registration at 9 am and shooting at 10 am. **We'll be starting 5 squads for singles - so don't be late!**

Have a safe Labor Day weekend – and remember to make your plans to attend the GRAND in Los Banos on October 8th.

Dennis and Warren

## September 2011 Handicap Purses

Perpetual Purse  
\$120.00

To win, the participant needs to shoot a 25 straight from any trap. In the event of a tie, the payoff is divided among the total number of **25's that are posted.**

This purse is open to all shooters.

Perfect 50's  
\$114.00

To win, the participant needs to shoot 50 straight at Handicap. Seventy-five percent (75%) of the purse, including the fees from that shoot, will **be divided between the Perfect 50's participating at that shoot.**

To play this purse, a shooter is required to have shot at least three (3) previous South Bay Trap League meets between the current and previous years.

**The Perfect 50's purse was paid out at the August tournament.** There was \$418 in the pot before the tournament. \$39 was added for entries at the tournament, yielding a new purse of \$457. The Perfect 50's are paid at 75% of the total purse or a \$343 payout (\$457 \* .75, rounded up). The new pot for September is \$114 (\$457—\$343).

## Notes from the Shoot Office: Short Yardage Squadding Rule

For those shooters that are not aware, the Amateur Trapshooting Association (ATA) is the major trapshooting governing authority for "American Style" trap-shooting in the United States. All SBTL tournaments are shooting "American Style" trap. While the SBTL is not affiliated with the ATA, we do follow most of their rules.

In the ATA rules published as of September 2009, there was a rule change to Section IV, paragraph G, part 2 that the SBTL missed. According to the ATA, this rule change was intended to address safety and consistency concerns. Unfortunately, this rule was not well written nor well highlighted by the ATA and, as such, has had slow adoption at ATA member clubs because of confusion and disagreement in the rule's meaning. There has also been some contention within the ATA as to whether the rule actually accomplishes anything.

The SBTL picked up on the rule in May 2011 when one of the SBTL management was handicapping an out-of-state ATA shoot. We contacted a member of the

ATA rules committee and received clarification on what the rule actually meant. At that point we published a notice in our May newsletter that we would be following this rule and fixed all squads to adhere to this new (to us) rule as of the June 2011 shoot.

During the August shoot there were still some questions from several shooters about this rule. As SBTL and ATA shooters get used to this rule, and in lieu of sporadic adoption at ATA clubs, we wanted to take the opportunity to remind everyone of the rule's content and how this rule is "supposed to be interpreted according to the ATA rules committee".

As of the May 2011 update to the ATA Rules published on September 2011, the IV. G. 2. rule now reads: "In Handicap there shall be no more than two (2) yards difference between adjacent shooters in the squad, and no more than a total difference of three (3) yards in a squad. When squadding 18,19 & 20 yard shooters, there shall be no more than one yard difference between adjacent shooters in the squad and no more than a total difference of two yards in a squad."

Since the SBTL does not handicap shooters at the 18 yard line, the effect on short yardage SBTL shooters is: "if there is a 19 or 20 yard shooter on a squad, we can allow no more than a one (1) yard separation between shooters, and a maximum of two (2) yards difference on that squad."

We hope that this explanation helps everyone better understand this rule. As always, if one has any questions, please feel free to speak to one of the SBTL management or staff and we will be very happy to assist you as best we can.

**Gun Safety is everyone's business.**

*Always be aware where your barrel is pointed. Please remember, when changing posts or changing traps, your guns should be open with nothing in the chambers.*

Thanks, SBTL
